

## The Hilda Willis Callaway Scholarship Application

In 1978, the Hilda Willis Scholarship Fund was established to provide supplemental book money to students pursuing their education and to encourage growth and continuation of the annual reunions among young Coppage-Coppedge descendants. A student must be a direct descendant and an active member of the Coppage-Coppedge Family Association (CCFA) to receive this scholarship. Applicants or family members (parents or grandparents) must have been a member of the CCFA for a minimum of 3 years and have attended at least one family reunion. Your participation at the reunion will be considered as a factor in the decision-making process. Please be aware that you can receive no more than 4 scholarships and only for undergraduate or post-secondary vocational training. \*A transcript of the prior school years' grades must accompany this application.

**Your application must be received by all three scholarship committee members by 1 July 2026.**
